NOTICE TO THE MARKET

MAHLE Metal Leve S.A. ("Company") hereby informs that it came to its knowledge through consultation to the website "www.cade.gov.br" that CADE (Administrative Counsel for Economic Defense) started an investigation to examine alleged anticompetitive conducts in the market of automotive pistons and related products. Pursuant to public information, these conducts allegedly took place in Brazil, potentially affecting the Brazilian Original Equipment market and independent aftermarket ("aftermarket"). The investigation implicates three legal entities and various individuals.

The Company was included in this group of legal entities and shall cooperate with the authorities to clarify the facts.
